Business productivity with robust colour performance

Models

Lexmark X792 Family
The Lexmark X792 Family colour MFPs elevate your workgroup productivity through brilliant colour printing, productivity solutions, flexible features and an intuitive colour touch screen.

Available models:
Lexmark X792de: Includes duplex and hard disk
Lexmark X792dte: Includes duplex, hard disk, three 550-sheet trays and caster base

LEXMARK
TM

Features that help you optimise your work

Lexmark X792de colour laser MFP shown with optional input drawers, hard disk, stapler with hole punch finisher and caster base.

1) Intuitive colour touch screen

The extra large 10.2-inch colour touch screen allows you to operate your printer with ease and confidence through smart and intuitive navigation, easy access to workflow solutions and shortcuts, and the ability to preview your documents and print jobs at the device.

2) Flexible output options

Choose from four output options, including a five-bin mailbox, an offset stacker, a staple finisher, and a staple with hole punch finisher.

3) Duplex automatic document feeder (DADF)

Save time by scanning both sides of your document in one pass with robust colour-scanning capabilities and an input capacity of up to 75 pages.

4) Direct USB

The front USB port allows for convenient walk-up preview, printing and scanning, and is compatible with most printable image file formats.

5) Lexmark solutions

Reduce unnecessary printing and simplify work processes through solutions applications preloaded on your device. Choose additional Lexmark solutions to fit your unique workflow needs.

6) Long-lasting toner

The Lexmark Extra High Yield Print Cartridge delivers up to 20,000* pages, reducing interventions, cartridge waste and cost.

7) Eco-friendly features

Easy-to-access features make it easy to print responsibly, including Eco-Mode to reduce paper and toner consumption, and the Sleep button and Hibernate Mode to help you save energy.

* Average continuous black or composite CMY declared cartridge yield in accordance with ISO/IEC 19798

Robust Colour Printing

Designed for busy colour printing environments, the Lexmark X792 Family delivers vibrant, professional quality output that is consistent from the first page to the last.

- Lexmark Extra High Yield Print Cartridge available, offering yields of up to 20,000* pages
- Print and copy in duplex at speeds as fast as 50 ppm in both black and colour
- PANTONE® calibration for consistent colour tones
- Named Color Replacement for easy colour matching
- Lexmark Color Care Technology to manage colour usage and control costs
- Instant warm-up fuser to help reduce energy consumption and improve time to first page

Business Productivity

The Lexmark X792 Family combines exceptional multifunction performance with time-saving applications designed to make you more productive. These MFPs can deliver the performance of much larger copiers, but with a smaller footprint and a more affordable price.

- Duplex scanning to scan both sides of your documents in one pass
- Advanced copy functions let you interrupt long print runs to make a quick copy, and proof the first copy set before completing your copy job
- Scan to multiple destinations, including scan to email, scan to FTP, scan to fax, scan to network, and more
- Preloaded applications to drive greater efficiency, and Lexmark Embedded Solutions Framework to further extend the capabilities of the device

Flexibility

Select from a number of expandability options and finishing features you would expect from more expensive products.

- Ultra-reliable paper feeding to support diverse media, including card stock, labels, UV-resistant outdoor media, banner media and more
- Robust output options, including a five-bin user-assignable mailbox, an offset stacker, a staple finisher, and a staple with hole punch finisher
- Input capacity expandable up to 2,650 sheets with a high-capacity feeder or extra drawers
- Connectivity and application solution cards allow integration into most IT environments

Easy and Intuitive

The Lexmark X792 Family is designed for easy operation and maintenance.

- Extra large, easy to navigate 10.2-inch colour touch screen provides audible and tactile feedback to make completing tasks intuitive
- Print and scan preview features help you select documents or specific pages within a document
- Directional lights on the device provide visual cues to guide you through tasks and maintenance operations
- Eco-friendly settings such as the Sleep button and Hibernate Mode
- Available device fleet management software

* Average continuous black or composite CMY declared cartridge yield in accordance with ISO/IEC 19798

Save time and money through solutions

Reduce unnecessary printing and simplify work processes through Lexmark solutions. The X792 Family features the Lexmark Embedded Solutions Framework (eSF), our platform that enables you to add a wide range of software applications directly onto the device. Solutions are designed with your productivity in mind, helping you streamline—or even eliminate—paper intensive business processes.

The following are solutions that come preloaded on the X792 Family:

Forms and Favorites
Eliminate waste and inefficiencies associated with preprinted forms. Store frequently printed forms, marketing materials or other documents online, then print them on demand.

Scan to Network
Scan a hardcopy document and route the image to one of 30 predefined personal or public shared network folders.

Change Language**
Easily switch the language displayed on the touch screen – 18 languages supported.

The following are a few of the Lexmark solutions available through authorised partners or Lexmark Professional Services

Showroom
Display a customisable, scrolling slideshow on the colour touch screen to promote your business or products, or to communicate important messages to your customers or employees.

Card Copy
Save time and effort in copying identification cards, licenses and insurance cards by automatically scanning, enlarging and printing both sides of a two-sided card onto one side of a sheet of paper.

Background and Idle Screen
Change the touch screen background to your corporate logo, a unique message or select one of four available screens.

** Option to Change Language during installation

Recommended Monthly Page Volume
«Recommended Monthly Page Volume» is a range of pages that helps customers evaluate Lexmark's product offerings based on the average number of pages customers plan to print on the device each month. Lexmark recommends that the number of pages per month be within the stated range for optimum device performance, based on factors including: supplies replacement intervals, paper loading intervals, speed, and typical customer usage.

Maximum Monthly Duty Cycle
«Maximum Monthly Duty Cycle» is defined as the maximum number of pages a device could deliver in a month using a multishift operation. This metric provides a comparison of robustness in relation to other Lexmark printers and MFPs.
